

## Save on annual alarm system testing!

Start your spring cleaning with a fresh perspective on home security – ensure your alarm system is working correctly to keep your family, pets, belongings and home safe. In addition to monthly testing, **an annual test and checkup is recommended** to keep your alarm system functioning properly. Enjoy peace of mind and significant savings on a **March Checkup** of your **residential** Security Alarm System.

- Call **Schuler Security** to install additional door or window sensors or upgrade your system; ask about low temperature alarms and leak sensors too!

Take advantage of our **\*\$99 March Checkup** (a \*\$149.00 value; **residential** customers get \$50 off the standard price). Call (609) 390-1003 to schedule your checkup.

**Call now - this special offer expires on March 31<sup>st</sup>, 2020.**

This service includes a checkup of your system and testing of Central Station Monitoring.

**Schuler Security** provides connectivity & convenience too:

We mount flat screen TVs, install SONOS & Surround Sound systems, home networking and Wi-Fi hotspots, install speakers, cameras, alarms and more – home entertainment is easy when you call **Schuler Security**.

Thank You, Your Alarm Specialists at **Schuler Security**

**P.S. For our valued seasonal customers, please ask us about low temperature alerts, remote access and camera systems.**
