

Now or never!

Winter and cold weather is upon us – make sure your alarm system is working correctly to protect your family, pets, belongings and home. Yearly testing and checkup is recommended to ensure your alarm is system functioning properly. Enjoy peace of mind and significant savings on a **November Checkup** of your **residential** Security Alarm System.

- Call **Schuler Security** to install **low temperature alarms, leak detectors, remote access** and additional winter upgrades designed to protect your home.

Take advantage of our ***\$99 November Checkup** (a *\$149.00 value; **residential** customers enjoy \$50 off the standard price). Call (609) 390-1003 to schedule your checkup.

Call now - this special offer expires on November 30, 2018.

This service includes a checkup of your system and testing of Central Station Monitoring.

Schuler Security provides connectivity & convenience too:

We mount flat screen TVs, install SONOS & Surround Sound systems, do home networking and create Wi-Fi hotspots, install indoor and outdoor speakers, cameras, alarms and more – home entertainment is easy when you call **Schuler Security**.

Thank You, Your Alarm Specialists at **Schuler Security**

P.S. For our valued seasonal customers, please ask us about monitored camera systems.
