

Audio Video Technician Job Opportunity!

Family-owned and operated Schuler Security, based in Marmora, NJ, seeks a full-time **Audio Video Technician**.

Schuler Security provides peace of mind to residential and commercial customers in Cape May and Atlantic Counties; we install and monitor burglar, fire and low temp alarms, cameras, Wi-Fi, TV, phone, network wiring, smart thermostats and more to create an intelligent home.

We seek a tech-savvy troubleshooter who can:

- Set up TVs
- Install SONOS
- Install Ring
- Install CCTV
- Install Surround Sound
- Install Card Access
- Program universal remotes
- Set up Wi-Fi networks
- Program Bluetooth devices
- Total Connect™ experience a plus

This is a full-time position that offers competitive pay, great benefits, and opportunity for growth. This is not an entry-level position; minimum two years' experience required.

The AV Technician will be expected but not limited to perform the following:

- Cable and wiring installation (in commercial and residential settings; i.e. open construction, etc.)
- Networking
- Test and resolve equipment issues
- Provide elite customer service
- Program Bluetooth devices
- Total Connect™ experience a plus

Applying candidates must have a clean driving record and be able to work in various types of environments (confined spaces, various heights, etc.).

Need to hire ASAP. Serious inquiries only. Call (609) 390-1003.

Job Type: Full-time, Monday through Friday 8-4:30

Apply in person: Schuler Security, 133 South Shore Rd., Marmora NJ
